"PEGGY, BEHAVE"

Two-reel Century Comedy

Starring BABY PEGGY

PEGGY is the mischievous little ward of a cruel-hearted aunt, who forgets that she was a baby once. But, as this was so far back, one cannot blame her for forgetting the fact. The aunt makes life miserable for the little youngster, and her thoughts go back to the time she left her mother's care to live with her aunt.

After getting into quite a bit of trouble the aunt sent the little child back to her mother by parcel post. While en route bandits hold up the train, but Peggy foils their attempt of robbery with some roman candles, also being sent by parcel post.

The president of the road is riding in the train, and when he learns it was little Baby Peggy that saved the train he allows her to ride with the engineer. In the engineer's absence the bandits let the train run wild, but Peggy stops it just as it is about to reach a draw-bridge. The president gives her a big check, and she arrives home wealthy and happy.
